Baby Bottles

Clouded Plastic Containers

5-Gallon Water Bottles

Non-Battery Toys

Plastic Buckets and Tubs

Please rinse and remove lids

Glass

Clear

Brown

Green

Please rinse and remove lids

Cart Placement:

Carts should be placed at the curb or edge of the street with the **wheels and handle facing away from the street**. There should be a minimum clearance of five (5) feet on all sides of the cart, including mailboxes, tree limbs, cars, etc. Trash and recycling carts also need to be placed three (3) feet away from each other. Make sure your carts are out by **6:00 a.m. on Monday**.

Broken or damaged carts?

Contact Inframark at garbage-recycling@inframark.com with your address and pictures of damage if available. Waste Management will replace carts on your collection day (Monday), so make sure your container is at the curb for exchange. It's all right to still have trash or recyclables in your damaged cart when it's switched out.
