COURT RULES AND REGULATIONS

TENNIS - Non-Commercial Usage Rules and Regulations

General:

- These rules and regulations are applicable to non-commercial registered users.
- Non-Commercial means recreational and league/ladder tennis play where there is no instructor involved.
- All users of the tennis courts must obtain a security key card. The WTCMUD1 (www.wtcmud1.org) website has application form available to download. Call Inframark at 512-246-0498 for assistance as needed.
- Any special tennis activities must be scheduled through Inframark. Call 512-246-0498 to request any special activity scheduling. The scheduled times for these events will not be available online, because those times would be blocked out on the reservation system by the Schedule Administrator.
- Commercial activities by Registered Instructors are governed by **Commercial Usage Rules and Regulations** which are contained in a separate document.
- Commercial usage will be reserved so that there will always be at least two courts available for non-commercial usage. Weekends from dawn to 12 p.m. and 5 p.m. – 10 p.m. and major holidays will also be reserved for non-commercial play.
- Policy violators are considered to be trespassing.
- Please call Inframark at 512-246-0498 to make a tennis-related complaint.

Reservations:

- The online reservation system is available 24 hours a day 7 days a week. All tennis court reservations will be made through the online reservation system.
- The reservation system can be found on the district website at www.wtcmud1.org.
- Reservations must be made no more than 14 days in advance of playing.
- A maximum of 2 hours per reservation and one reservation per member, per day.
- An e-mailed confirmation from the online reservation system will be proof of your court reservation.
- Please cancel any unused reservations in a timely fashion to allow others to use the courts.

Access to and Usage of Tennis Courts:

- Users have 15 minutes to make their reservation time before the court will be declared open.

- Users should keep their security key cards with them at all times when playing. Users can be required to show keys and identification at any time while using the courts. Replacement of lost or stolen cards is \$15.
- If open times are available then walk-on play is permitted.
- Court reservations have priority over walk-on usage:
 - Walk-on players are not guaranteed continued court availability. If a person shows up with proof of their reserved time (the e-mailed confirmation), but not 15 minutes late, the walk-on players must give up the court immediately to the reserved party. Failure to do so can result in loss of court reservation privileges and continued non-compliance could result in trespassing charges.
 - If the person without a reservation refuses to yield, please do not breach the peace, communicate with Inframark personnel at 512-246-0498, and e-mail the Tennis Committee with pertinent details at Tennis@Inframark.com. Anonymous complaints will not be considered. Try to include dates, names and license plate information if this information can be peacefully collected.

Conduct of Users:

- A maximum of four players are allowed per court for reserved or drop-in usage. A member may have a maximum of 3 guests at one time on courts. The member (or a member of the household) who is the holder of the reservation must be present on the court.
- Only soft-soled athletic shoes (no black-soled shoes).
- No alcoholic beverages or glass containers.
- Tennis courts are for tennis use only.
- Gates must be kept closed while courts are in use and when you leave the court.
- Please report incidents of misuse and vandalism, fence climbing, lock breaking, etc.

The District reserves the right to impose additional
restrictions on use of the tennis courts.

Thank you for your cooperation.
